"Committed to Safety, Dedicated to Partnership and Progress"

How to do business at City Hall during the pandemic:

COVID-19 has changed much of how we do business these days.

If you need to do business at City Hall, here's what you need to know:

- First floor opened to the public as of Monday, June 29.
- Second, third and fourth floors open to the public as of Monday, July 13.
- If possible, please use our online payment system to make any payments at **payment link** or drop them off at drop box located at the E. Franklin Street side of the building.
- Our office will be open to the public on July 13th by appointment only, please call in advance 301-739-8577 x103 to make an appointment.

FENCES - ITEMS YOU NEED TO KNOW

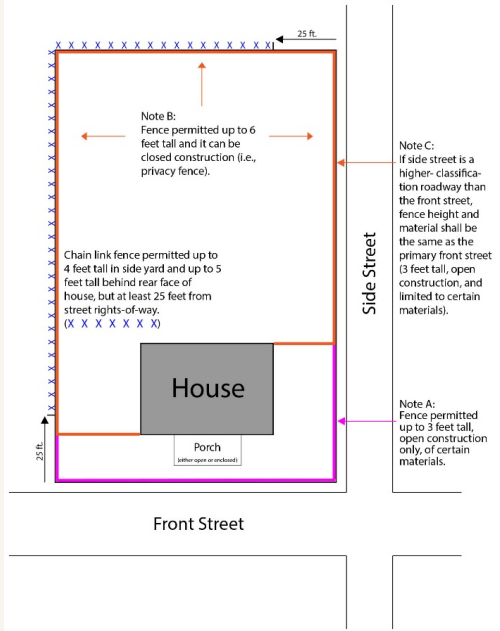

Fences - HOW TO APPLY:

Fences are to have a zoning certificate and a permit from the Planning and Code Administration Department prior to construction.

Applications can be made in person (by appointment) or online with our department.

Residential Fence Permit
Non-Residential Fence Permit

Please include a plot plan of the property when submitting your application.

FENCES IN DISREPAIR

The Property Maintenance Code for Hagerstown states that all fences are to be maintained in good repair. If a fence is no longer needed, the fence can be removed without a permit. Just be sure you are the owner of the fence and it is on your property.

Hub Bub Podcast

The next episode will feature the history of fences, residential and commercial requirements and property line disputes.

Posted for listening on or after Wednesday, July 15th.

Did you know?

If you are constructing a deck or installing a pool at your property, you can include a fence on the building permit application. By combining projects on one application you save money on application fees.

If you have something you would like to know more about or suggestions for what is featured in the newsletter, please send an email.
