

CALL FOR VISUAL ARTISTS

What is ART OUTSIDE?

Two artists* will be positioned in Public Square for 3-4 hours to create miniature pieces of artwork to give away to passersby. **The goal:** bring art to people who work, live, and pass through Hagerstown's Arts & Entertainment District. Some people may request a particular subject to be painted for them, or artists may paint from their own inspiration and give away their creation.

**Priority will be given to artists who are residents of Washington County. Secondary consideration will be given to artists from adjacent counties in MD, PA, and WV.*

The Arts & Entertainment District provides:

- a chair, table, and canopy for each artist (staff will set up and break down)
- a variety of canvas, panel, and paper on which to create miniature art (2"x2", 4"x4", etc.).

Artists provide:

- their own brushes, paint, charcoal, fixative, other media, etc.

Compensation:

- \$125 fee per session + \$25 to reimburse artist for materials purchased

Dates:

- Wednesdays, September 29, October 6, 13, 20, 27, 10:30 am-2:30 pm

The fine print:

- All art work created is to be given away
- All art work created must be "family-friendly" (no nudity, profanities, etc.)
- Artists will be paid upon completion of session, provided contract and required paperwork is completed in a timely fashion
- Artists may not put out a tip jar
- In the event of uncooperative weather (downpours that make a canopy useless; cold temperatures), artists will have the option of moving to an indoor location near the Square or postponing their session to another day.

For consideration to be an artist for **ART OUTSIDE**, please complete and submit the attached form with 3 work samples (jpgs).
