

Media Release

During the week of Aug 22-28 the Hagerstown Police Department handled 1598 calls for service and made 46 arrests. Below is a list of notable arrests, some of which were a result of a concentrated effort to focus on gun and drug crime. HPD is proud to work closely with our allied agencies. The Hagerstown Police Department would like to thank the MSP Western Region Narcotics Unit, Jefferson County WV, the Washington County Narcotics Task Force and the Berkley County NTF for their collaborative efforts in recent investigations. A portion of these investigations have been funded by the Maryland Criminal Intelligence Network. The Maryland (MCIN) program is envisioned as a coalition of criminal justice agencies that collaborates and coordinates tactics, resources, and intelligence through comprehensive data sharing, cross-jurisdictional partnerships, effective policies, and supporting technologies.

MCIN focuses on identifying, disrupting, and dismantling gangs and violent criminal networks involved in the distribution of illegal drugs, the use of firearms in crimes of violence, human trafficking, or other inherently violent criminal enterprises, through enforcement, prevention, intervention, and information sharing. MCIN seeks to reduce violent crime by facilitating the formation of information technology-enabled partnerships that lead to the improved investigation and prosecution of violent criminals and their networks.
