**Instructions to Engineer/Surveyor:**

This checklist is the format used by the Planning and Code Administration Department to review and comment on your plat. It will be/has been returned to you so you can address the issues raised throughout the checklist. **When you have completed the necessary revisions to this plan, submit the following number of copies along with this checklist to the Planning and Code Administration Department:**

Planning and Code Administration Division	2 copies
Parks and Engineering Department	1 copy
Electronic copy of revised plan and checklist for distribution	1 copy emailed

**Statements**

I understand that site plan or subdivision approval by the Hagerstown Planning Commission does not constitute permission to construct. Appropriate permits must be obtained from the City Engineer’s Office and Utilities Department before construction may commence. **This statement must be signed before application will be accepted for processing.**

I understand that the design of the subdivision must conform to the requirements of the City’s Land Management Code, unless waivers are granted by the Planning Commission. If waivers from a design standard stated in Article 5, Subdivision and Land Development, are requested, final approval of the plat by the Planning Commission may be required.

I understand that the Planning and Code Administration Department reserves the right to bring this plat before the Planning Commission for final approval even when no waivers are requested or required.
