

Neighborhood Reminder

Be Vigilant Against Graffiti

Areas of downtown Hagerstown were recently targeted with graffiti. Please inspect your property for any defacement and remove accordingly.

What is graffiti?

Defacement of public or private property by scratching, marking, carving, painting, drawing, symbols, messages, and other images.

Graffiti hurts our community

Graffiti sends the signal that nobody cares about our neighborhoods. This invites antisocial behavior and other signs of disorder that hurts the quality of life in our neighborhoods.

City of Hagerstown Code Requirement

The City of Hagerstown requires all areas of a property to be free of graffiti. This includes markings on structures, garages, fences, sidewalks, retaining walls, and other similar surfaces. Let's all work together to eliminate graffiti and send the message that we care about our neighborhoods and won't tolerate defacement of public and private property.

If you have any questions, please call the Department of Housing & Community Development at 301-739-8577 ext. 103
