	TOTAL:	-----	

If door is locked or work is incomplete, a \$50.00 re-inspection fee will be charged per visit.

I hereby understand that whenever, in the opinion of the Electrical Inspector, drawings and specifications are required for which application is made, I shall furnish such drawings and specifications.

I further understand that it is the responsibility of the license holder to give 24-hour advance notice to the Permit Office when work is ready for testing and inspection. Failure to schedule inspections for any period of six months following the issuance of this permit will be cause for the permit to become void.

I acknowledge that I have read this application and affirm that the information supplied by myself is correct, and that the owner/tenant of the referenced property authorized me to do the work described herein, I and agree to comply with all City Ordinances and State Laws regulating electrical work.

I acknowledge that repair and replacement of the public-right-of-way with appropriate permits and inspections are my responsibility.

I certify that I am properly registered and licensed as required by the City of Hagerstown and the State of Maryland.

INVESTIGATION FEE: Any person who commences any work on an electrical system before obtaining the necessary permits shall be subject to 100% of the usual fee in addition to the required fees.
