Agreement Details

The Group commits to hosting community cleanup activities a minimum of six times per year for one year, along the assigned blocks. Cleanups may occur more frequently, at the Group's discretion. The Group will designate a leader who will represent the Group and will recruit, register, and brief participants prior to any event. Volunteers under the age of 18 must have adult supervision.

Participants are providing volunteer services to the Group and not to the Government of the City of Hagerstown. Group leaders are responsible for the safety of volunteers.

The City of Hagerstown will install Adopt A Block signs identifying the Group along the adopted blocks and provide two litter grabbers and cleanup bags and gloves as needed. The City of Hagerstown will assist with arranging removal of collected trash. The Group will report cleanup results to the City of Hagerstown.

Approval of this application is not intended to create any legally enforceable rights against the Group, its members, or the City of Hagerstown.

I certify that I have read the Agreement and that I possess the authority to execute this application on behalf of my Group.
