Protective Treatment Code

Requirements

Protective Treatment Code

All exterior surfaces, including but not limited to doors, door and window frames, cornices, porches, trim, balconies, decks and fences shall be maintained in good condition. Exterior wood surfaces, other than decay resistance wood, shall be protected from the elements and decay by painting or other protective covering or treatment. Peeling, flaking, chipped paint shall be eliminated and surfaces repainted. All siding and masonry joints as well as those between the building's envelope and the perimeter of windows, doors, and skylights shall be maintained weather resistant and watertight. All metal surfaces subject to rust or corrosion shall be coated to inhibit such rust and corrosion and all surfaces with rust and corrosion shall be stabilized and coated to inhibit future rust and corrosion.

Disclaimer

This publication is intended to be a guide to assist in answering general inquiries. This publication does **Not** include all aspects of the relevant code. Code requirements vary depending on numerous factors. For specific questions, please contact Code Administration.

Permits

All building work except minor repairs must be done under permit. All electrical, heating, and plumbing work should be done by licensed contractors under permit. Applications for permits may be obtained through the Code Administration Division Permits Office on the third floor of City Hall. Call 301.739.8577 x127 for complete information.

Protective Treatment applies to any surfaces painted including:

Structures

Garages

Accessory Structures

Storage Sheds

Fences

Taking Structure back to Original Brick

A structure can be taken back to its original brick. However, there are methods not approved by the City of Hagerstown.
