Description:

City Control 131 - To reach the station from the intersection of Cleveland Avenue South and Antietam Street East, proceed west about .1 miles on Antietam Street East and the station on the right.

The monument is a standard 2" aluminum disc set flush to the ground and is located in a patch of grass, next to a storm viaduct on the north side of Antietam Street East. It lies 15' north of the NW corner of curb inlet, 36' NW of utility pole #28 and 9' NE of the concrete SW-storm channel intersection.
