Description:

City control 213-The station is located in the public (metered) parking area between washington and franklin streets; also behind city hall. The station is a typical aluminum disc marked as "city of hagerstown 213". To reach the station from the intersection of us route 40 and mt. Aetna road, proceed n.w. On us route 40 (west) 1.7 miles into the downtown area of hagerstown reaching the front of city hall on the left (approx. 1 mile into this route 40 becomes a one way road-franklin street). From the front entrance of city hall head s.e. 165' along the concrete walk to an exit alley way (this is an exit from the public parking area). Proceed 245'+/- s.w. Down the centerline of the alley (exit alley) passing by the "washington county playhouse" & an "m&t bank" on the right. From there head s.e. 295'+/- to the station in a landscaped curb island. The station is s.e. 39.71' from the cl of light pole 29, s.w. 49.56' from the cl light pole 26, n.w. From the cl of a 3' square steel grate inlet (not curb inlet), and n.w. 45.04' from the n.w. Corner of the "discovery station @ hagerstown inc. (2 1/2 story brick bldg.).

Established: december, 2001 with static sessions (gps).
