Description:

City control 214-The station is located in the fairground parking area (unpaved as of 12/06/2001). The station is a typical aluminum disc marked as "city of hagerstown 214". To reach the station from the intersection of us route 40 west and cleveland avenue proceed n.e. 0.40 mile along cleveland avenue to where cleveland bears to the right and becomes security road. At this interchange continue heading n.e. Through the gate entrance of the fairground to a dead stop (there is no stop sign, but a left or right turn must be made). Turn right and continue to the second isolated concrete curb island on the right. From the light pole in the center of the island head s.e. 70'+/- up a slope to the station approx. 6'+/- n.w. From the edge of a macadam jogging/walk path. The station is n.w. 7.27' from a reference magnail set in macadam path, n.e. 7.56' from a reference magnail set in macadam path, and s.e. 33.80 from cl of a 2" tree in the middle of a concrete island attached to the main parking curbing.
